

Greenwood Little League Baseball

That time of the year is coming; registration opening for Greenwood Little League Baseball!!!

Greenwood Little League is open to ALL boys and girls ages 4-16 (age on 8/31/2021). Greenwood Little League offers seven divisions of play: Rookie, Single A, Double A, Triple A, Intermediate (50/70) and Seniors/Juniors and Challenger League (League for players with physical or intellectual challenge). Our registration will be open and available for all leagues on our website (<http://www.greenwoodbaseball.com>) starting January 1, 2021.

Greenwood Little League attempts to make playing as financially possible to all individuals that wish to participate. Because we encourage all children of the family to participate, we also offer discounts for siblings playing in the league. Greenwood Little League is a private organization and as such requires a fundraising fee for all individuals that wish to play. Individuals can choose to buyout this fundraising option, or they can take the option that the league has determined for fundraising efforts. We're currently exploring fundraiser options for the 2021 Season and details will be released closer to the start of registration. Past examples would include selling candy bars, gift cards, etc.

Below is the divisions, with their age requirements and cost. (See reverse side for league descriptions)
