**V.O. Isom Elementary School**  
**Social Distancing Roadmap**  
**For Re-Opening Schools for the 2020-2021 School Year**

**Health and Safety Greenwood Elementary Schools**

All Greenwood Elementary Schools will follow the District Guidelines for Health and Safety including: Screening, Exclusion, and Return to School Guidance from the District Level.

**School Environment**

All elementary buildings will follow district guidelines for classrooms, hallways and restrooms. Classrooms that have tables will utilize strategies that maintain social distancing as best as possible. All schools will utilize visuals to reinforce proper hand washing and social distancing.

**Arrival and Dismissal:**

- The number of families that elect to transport their children may alter plans.
- Arrival and dismissal plans will accommodate for social distancing as much as possible
- Car drop off and pick up will remain in the front of the building.
- Bus unloading and loading will remain at the back of the building.

**Arrival Specifics**

- Due to social distancing restrictions, students will go to their classrooms upon entering the building. Breakfast will be delivered to classrooms to those students who eat at school.
- Car and bus drop off will begin at 7:45am. Students will not be allowed to wait by the front or back doors prior to school opening.

**Dismissal Specifics**

- Due to social distancing restrictions, students riding busses will be dismissed one bus at a time and students riding in cars will sit socially distanced in the gym while waiting to be dismissed.
- Dismissal will begin at 2:45pm each day.

**Awards Special Programs:**

- These will take place virtually and be shared with parents.

**Special Area Classes:**

- Students will continue to rotate to special area classes.
- Students will sanitize their hands before and after class while continuing to practice social distancing.
- Shared equipment will be sanitized regularly.

**Supplies:**

- Each student will have their own art box/pouch and utilize their own supplies.
- In the event there are supplies that need to be shared, students will sanitize their hands before and after use.
- Shared equipment will be sanitized regularly.

**Recess:**

- Students will have grade level recesses and be encouraged to social distance.
- Students will sanitize their hands prior to exiting and entering playgrounds.
- Grade levels will have equipment (balls, jump ropes, etc.) specific to their grade level.

**Safety Drills:**

- Safety drills will be conducted following the guidelines by the Indiana Department of Education.

**Visitors:**

- District guidelines for visitors will be followed. Outside visitors and volunteers will be prohibited.

## **Transportation**

- All elementary buildings will follow district guidelines for transportation.

## **Food Services**

- All elementary buildings will follow district guidelines for food services including breakfast and lunch.
  - In order to follow social distancing guidelines, students will eat breakfast in their own classrooms since all grade levels eat breakfast at the same time.
  - For lunch, each grade level will eat separate from other grade levels.
- When in the cafeteria, classrooms will have assigned seats accounting for reduced capacity in the cafeteria.
- Additional spaces will be utilized for eating and may include: gym, stage, or classrooms.
